Mr. Richard A. Elia, Executive Vice President  
Sevenson Environmental Services, Inc.  
2749 Lockport Road

Subject: Direct Billing Authorization

Dear Mr. Elia:

In response to your letter dated September 16, 2008, your company is authorized to submit interim vouchers directly to U. S. Army Corps of Engineers (USACE) paying offices based on the enclosed DCAA authorization memorandum. The authorization is contingent upon the continued (1) maintenance of adequate billing system internal controls for the preparation of public vouchers and (2) submission of incurred cost proposals and final vouchers in accordance with FAR 52.216-7, Allowable Cost and Payment contract clause. If the authorization is subsequently rescinded by DCAA, you will be notified immediately and the requirement to submit interim vouchers to DCAA will be reactivated.

A copy of this letter is being sent to your cognizant PCO point of contact. In addition, a copy of this letter is being sent the USACE paying office notifying them that you are authorized to submit vouchers directly. You informed us that your Commercial and Government entity (CAGE) code is OLT07. If this code is not correct, please notify us immediately. DFAS requires a correct CAGE code to process payments of vouchers.

When submitting interim vouchers directly to the Government paying offices, one copy of the DCAA authorization memorandum should be forwarded with the voucher; the signature block on the voucher should state: "Direct Submission Authorized." Final vouchers on each contract will continue to be submitted to our office to assist in the closing of contracts.

MEMORANDUM FOR GOVERNMENT PAYING OFFICES

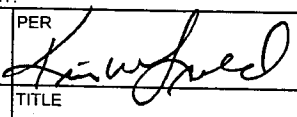

SUBJECT: Authorization for Direct Submission of Public Vouchers

Sevenson Environmental Services, Inc. (1) maintains an adequate billing system and (2) submits its incurred proposals and final vouchers in accordance with FAR 52.216-7, Allowable Cost and Payment contract clause. Therefore, this contractor is permitted to directly submit public vouchers on Government contracts without DCAA advance approval. By attaching one copy of this memorandum, and indicating in the signature block of the voucher that "Direct Submission is Authorized," the contractor is representing that DCAA has authorized direct submission of public vouchers to the USACE paying offices by Sevenson Environmental Services, Inc. DCAA will continue to review Sevenson Environmental Services, Inc.'s procedures for preparing public vouchers as part of our ongoing surveillance of the contractor's billing system. The contractor's CAGE (Commercial and Government Entity) code is OLT07.

The direct billing authorization does not apply to final vouchers. If the contractor inappropriately submits a final voucher directly to the paying office, please return the voucher to the contractor with instructions to submit the final voucher to the cognizant DCAA office for review and forwarding to the contracting officer before final payment can be made.

Please direct any questions regarding this memorandum to Ms. Donna Schirching, Supervisory Auditor, at (716) 681-7529.
